

SQFactory WooCommerce Plugin is simply manage user order upon checkout and subscribes to our API database.

You can easily perform the integration just simply install a simple WordPress WooCommerce plug in.

The Plugin can be found at: <https://www.sqfactory.com/wp-content/uploads/2022/01/sqf-order-subscribers.zip>

Please do validate the hash of the plugin for safety sake. The current plugin's hash is **"4567776d59bcf00d3e2a71d94e6bf595"**.

Hash validation insures that you have received a valid file from SQFactory.

We use a MD5 Hash algorithm and you can validate our Hash using this online tool (or any other tool you choose): https://emn178.github.io/online-tools/md5_checksum.html

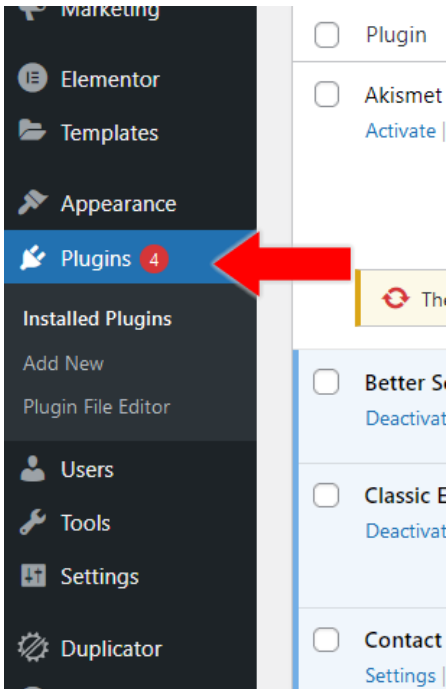

To install this plugin, you need to be running WordPress 5.0 to 5.8. and WooCommerce 4.0 or better.

Installation:

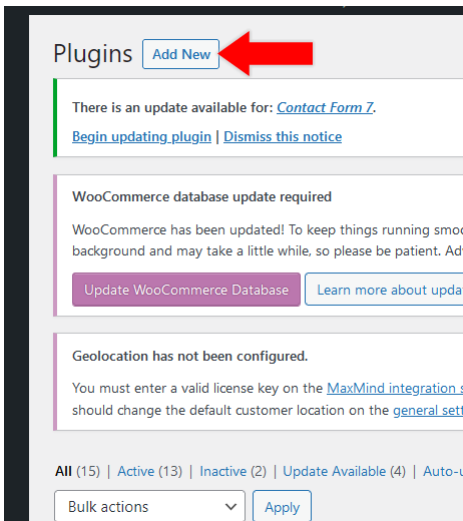

Simply login your account to your wordpress admin section.

A screenshot of the WordPress login interface. At the top center is the WordPress logo (a blue 'W' in a circle). Below it is a white rectangular form with a light grey border. Inside the form, there are two input fields: the first is labeled 'Username or Email Address' and the second is labeled 'Password'. To the right of the password field is a small blue eye icon for toggling visibility. Below the password field is a checkbox labeled 'Remember Me' and a blue 'Log In' button.

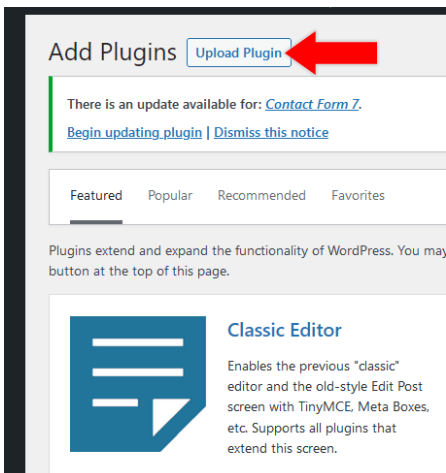

Go to Plugins page

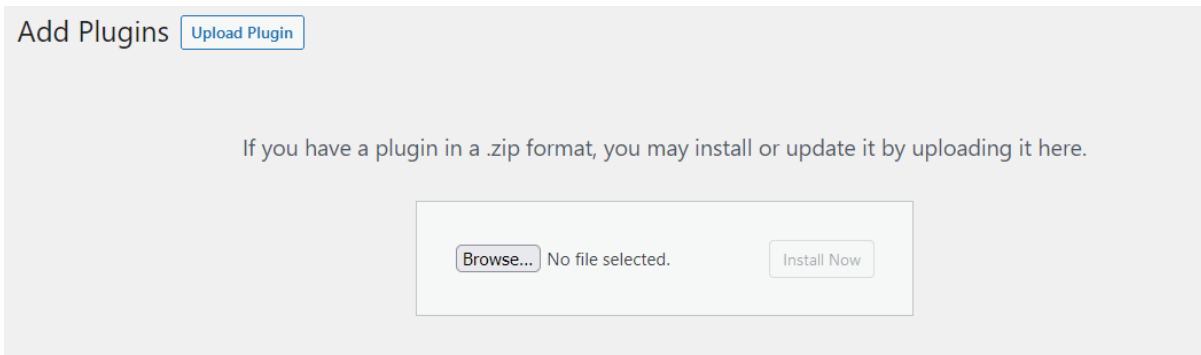

Select Add New

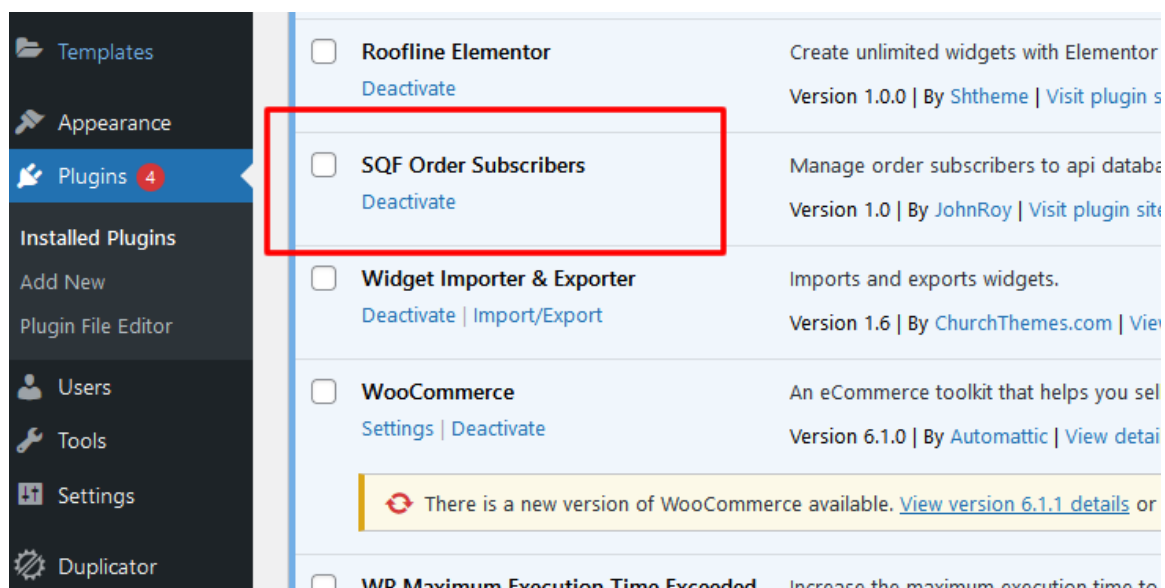

Select Upload Plugin

Navigate to where you have stored out SQFactory plugin. And follow the instructions to install and activate our plugin.

After installation, you will see out the plugin in the list.

Once activated it creates additional custom fields on the checkout page.
